RE: Hospital Affiliation Letters

In response to your request to verify affiliation for the provider applying at your facility, please be aware that Guadalupe Regional Medical Center has implemented MD-Query, which allows outside organizations to quickly and easily generate verification letters.

You can access the site by navigating to the URL below in your web-browser:
https://www.mdquery.com/guadaluperegional

Be sure to populate all the fields marked with an asterisk (*) as they are required. Use the credentials below to log into the site and begin your online affiliation verifications:
Username: grmc
Password: query

Once logged into MD-Query, we recommend using the provider's last name as the search criteria. Providers in good standing will generate a standardized letter.
