

GRMC TUMOR BOARD COMMITTEE

Regularly Scheduled Series/Live and Virtual Event
See 2023 Dates Below
GRMC Conference Room and Zoom Link Below

Target Audience: Physicians and Advanced Practice Providers
Educational Methods: Case Studies, Q&A; Required Prerequisites: None

EVENT & VENUE DETAILS:

GRMC Physicians and Advanced Practice Providers are invited to participate in the Tumor Board Committee/CME Meetings which are typically held bimonthly at 7:30 a.m. Physicians may attend either in person at the GRMC Conference Room (by Café) or virtually via zoom link below. **2023 Dates are:** Jan (no meeting), March 24th, May 19th, July 28th, September 22nd, and November 17th (7:30 am) for 1 *AMA PRA Category 1 Credits™*

MODERATOR:

Tumor Board Committee is made up of a multi-disciplinary team of primary care and specialists who review current and past cases regarding patients with benign and malignant tumors.

LEARNING OBJECTIVES:

Primary Learning objectives of these sessions include:

- Utilizing multidisciplinary approaches to diagnosis and staging of patients with cancer including the findings from imaging, biopsy and surgery, genetic and molecular studies.
- Implementing optimal treatment plans for the patients with cancer managed at GRMC.
- Describing evidence and/or guideline-based approaches to therapy, as well as available clinical trials.
- Addressing the cultural, linguistic, ethnic, religious, and socio-economic barriers affecting treatment.
- Increasing communication among caregivers for benefit of the patient.
- Providing a setting for case review and shared knowledge of specialists.
